HOME AND EUROPEAN DEMAND. The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes MOBILE, Jan. 16.—Sales to-day of 9,000 bales Cotton, the gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and heat from the scalp, quiets and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautifut, and if used by the young two or three times a week, it will never fall or become gray; then, reader, read the following and judge for yourself: NEW YORK, Jan. 8, 1859.

MESSRS. O. J. WOOD & CO., Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudices which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for n.yself. The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as gray as I was, but who have my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they

Cor. Columbia and Carroll : ts., Brooklyn. LIVINGSTON, Ala., Feb. 14, 1858. PROF. Wood-Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been lightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks, and I find that I A LARGE STOCK have a fine head of hair now growing, after having used all ened and sold—sold other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy.

You can publish this if you think proper. Yours, &c., S. W. MIDDLE TON PHILADELPHIA, Sept. 9, 1859. PROF. WOOD-Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—was in fact BALD. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendations. I can in-

duce many others to try it. Yours, respectfully, D. R. THOMAS, M. D., No. 464 Vine Street. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle.
